Marin Girls Chorus offers a limited number of need-based tuition scholarships for choral members. Scholarships are awarded to qualifying families based on verification of current income, the previous year's income and family size. Scholarship assistance is awarded solely for the purpose of relieving substantial economic hardship which might result from payment of full tuition. *Scholarships cover tuition only; families are responsible for Costume Fee and New Member Fee.*

I, the above-named applicant, understand that Marin Girls Chorus' ability to award partial scholarships and tuition assistance is dependent upon annual contributed income and need. Thus, not all applicants can be accommodated, and those who receive assistance one year may not receive it in another.

Marin Girls Chorus distributes scholarships on a first-come, first-served basis to families who meet the income qualifications set forth by the County of Marin, which take the cost of living in this area into consideration. Marin Girls Chorus will accept applications on a rolling basis until all funds are awarded. Household income as it relates to family size is the primary factor taken into account when awarding scholarships, though scholarships and other subsidies will also be taken into consideration. More scholarships may become available at a future date, though Marin Girls Chorus reserves the right to adjust the income requirements at future dates.

Applicants who have received financial aid in previous years must complete and submit a new application prior to each new choral year. Qualification for scholarships in previous years does not guarantee a scholarship in the current year, nor does qualifying for scholarships this year guarantee a scholarship in future years. Applications and documentation will be viewed only by members of the Marin Girls Chorus Scholarship Committee and will not be shared with anyone outside of the Marin Girls Chorus organization.

Chorus members who accept scholarship assistance are expected to participate in the Marin Girls Chorus for the full term of the award, meet increasing standards of accomplishment, and provide leadership to the balance of the choral body through their behavior and adherence to choral rules. Once enrolled, a member's attendance, tardiness, preparedness, focus, enthusiasm, and the parent or guardian's prompt payment of tuition balance are tracked on a quarterly basis. Difficulties in any of these areas may result in a rescinding of the scholarship award if parental, or other support, is not forthcoming to remedy the situation.
