HOW TO MEASURE

Please keep in mind that some alterations may be needed to get the best fit for you.

DRESSES [LADIES/YOUTH]

To determine your correct size, you will need your Bust, Waist and Hip measurements along with your Height.

Bust: Measure around the fullest part of the bust, (this measurement is not your bra size) keeping the tape parallel to the floor.

Waist: Measure around the natural waist.

Hips: Measure around the fullest part of the hips with tape parallel to the floor.

Height: Measure from the top of the head to the floor, without shoes.
