

APPLICATION FOR TUITION ASSISTANCE

Marin Girls Chorus offers a limited number of need-based tuition assistance packages for choral members. Assistance is given to qualifying families based on verification of current income, the previous year's income, and family size. Tuition assistance is given solely to relieve substantial economic hardship which might result from payment of full tuition.

Date

I, the above-named applicant, understand that Marin Girls Chorus’ ability to give tuition assistance is dependent upon income and need. I understand that applicants who receive assistance one year may not receive it in another.

Marin Girls Chorus distributes tuition assistance to families who meet the income qualifications set forth by the County of Marin, which take the cost of living in this area into consideration. Marin Girls Chorus will accept applications on a rolling basis. Household income and family size are the primary factors considered when offering tuition assistance. Marin Girls Chorus reserves the right to adjust the income requirements at future dates.

Applicants who have received tuition assistance in previous years must complete and submit a new application prior to each new choral year. Qualification for tuition assistance in previous years does not guarantee tuition assistance in the current year, nor does qualifying for tuition assistances this year guarantee a tuition assistance in future years. Applications and documentation will be viewed only by administrative staff and board members of the Marin Girls Chorus Tuition Assistance Committee and will not be shared with anyone outside of the Marin Girls Chorus organization.

Chorus members who accept tuition assistance are expected to participate in the Marin Girls Chorus for the full term of the award, meet standards of accomplishment, and contribute to the balance of the choral body through their behavior and adherence to choral rules. Once enrolled, a member’s attendance, tardiness, preparedness, focus, enthusiasm, and the parent or guardian’s prompt payment of tuition balance are tracked. Difficulties in any of these areas may result in a rescinding of the tuition assistance if parental or other support is not forthcoming to remedy the situation.

	Tuition - Fall Session only	Tuition - Spring Session only	Tuition - Full Season (Fall & Spring)	New Member Fee	Costume Fee
Fresco (K-1)	\$450	\$450	\$900	\$50	included
